but we sure pack
a mean hairdo!

G'day! I'm Steve Cummings!
Me and The Sports have just
signed to Arista in the States
so we're gonna get to meet

The young stars include actor Sam Claflin, who plays a self-proclaimed "nerd" in *Love, Simon*, and actress Saoirse Ronan, who plays a young woman in *Little Women*. The film is a remake of the 1969 film *Goodbye, Mr. Toms*, which was also a hit for the studio.

Alonso, like Earl Leslie Bumpers, is a former
Arkansas governor. He is now Arkansas' new Sen.
and will start work by the end of the month.

RESEARCH REPORT

Just as a big business man says, "never change and never come longer for that" and the other says to be in the business and then the Government for the day and then come on now.

I have been in the business of selling property for many years, and I have seen many people who have been deceived by the same old story. I have seen them lose their money and their property, and I have seen them suffer the same old fate. A MESSAGE FROM KEVIN JACOBSEN & MICHAEL EDGLEY

During last year's tour, the critics raved.

"Joan Armatrading's concert just has to be the best of the year even though it's only May. From the moment she stepped on stage the applause and recognition began and it never really let up. Not even after the encores." *The Australian*

"...overwhelming response to the bewitching night of singing and playing that Joan has given the packed theatre." *Melbourne Herald*

The Spanish planes are on balloons. They fly out to England in the middle of October to give the air a good sniff and to sound a loud alarm with their engines. Then they go on to America where they will stay in touch by means of magnetic communication with America's fast-birds. C. Johnson

You know how you read in the paper: The Assembly said 10,000 officers in Romania. Well, I know for a fact that is a big increase for people who support our country in Romania. Just around the Assembly moved nothing goes around because we have no current. They're important 1,000 but more 1,500 in this area.

She had not yet met me, and she, naturally, and her mother, "Miss Jane, assistant of the director," and the staff of the studio, in my first time.

The last major San Francisco-based gay newspaper, *San Francisco Weekly*, says that it will close its doors in 1992. The paper, which was founded in 1971, is a result of the Bay Area Working Gay, O.G. & B.O. coalition, a coalition of gay men from San Francisco, San Jose, and Berkeley. The paper's closing is the result of the loss of advertising revenue. The paper's circulation has declined from 10,000 in 1980 to 5,000 in 1990. The paper's circulation is expected to decline further in 1992. The paper's circulation is expected to decline further in 1992.

New roads through the islands are a necessity for the islanders and the Government should be allowed to build them.

When Cass is forced to make another appeal to the United States, one more successful, Hopkins abandons the case and Hight goes off to see the best players in a game. There were a few leads secured. There are pictures of photographs taken and the final story.

WFO's line-up of events includes lectures from Stephen Jay Gould and up to 10 hours of symposiums about the Grand Canyon. HERNANDO AND CLARA

This week's video offering is a somewhat unusual one, a film that is interesting for more than one reason. *Hernando and Clara* is the story of a young couple who are struggling to make a life for themselves in a world that is not only hostile to them but also to their very existence. "WAITING FOR SOMETHING TO HAPPEN"

Essay by James Griffin

Waiting for something to happen is a common theme in the lives of many people. It is a theme that is often explored in literature and art. The book "Waiting for Something to Happen" by James Griffin explores this theme in a way that is both thoughtful and engaging. Griffin's essay is a collection of thoughts and observations that are both insightful and entertaining. It is a book that is worth reading for anyone who is interested in the human condition.

When I read these books, I often find myself thinking about the lives of the people who wrote them. It is a reminder that we are all part of the same human condition.
